Jefferson State Community College Culinary and Hospitality Institute

- Each competitor will make two identical plates: one for tasting judges and one for plating judges. Jefferson State Community College (JSCC) will provide basic plates, if desired. Competitor may bring their own plates, if desired.
- Each entry will consist of a quick bread, choux pastry, shaped yeast bread, and cake decorating skill demonstration to be completed in 2 hours 45 minutes.
- Recipes will be chosen by competitors but must include at least one Alabama grown ingredient (i.e., peaches, peanuts, pecans, etc.) in one of the skill demonstration products. An ingredient being in the cake for cake decorating does NOT count.

- JSCC will be providing large equipment: shared convection oven, stand mixer and workstation.
- Competitor is responsible for bringing all equipment not supplied by JSCC. Standard industry equipment only: no glass, wooden spoons or cutting boards, etc.
- Staple ingredients (i.e., dry ingredients, seasonings, oils, etc.) may be pre-measured prior to event.
- All perishable items must be stored at proper temperature.
- The top 3 competitors will advance to National STAR Events in San Diego, CA. The National FCCLA may require an exam from the American Culinary Federation to qualify for the skills demonstration event in San Diego, CA.

How the event will run:

- The event is scheduled for two days. Competitors from the same school will be placed on the same day, if possible, to help eliminate the need for overnight stays. Event times will be scheduled as registrations are made through the SLC portal. Final schedule will be available oneweek prior to the scheduled event.
- Each chapter may submit 3 individual entries.
- At this time, there is not a test scheduled at the state level. The state reserves the right to implement a test to qualify, if needed, to manage the number of registrants.
