

Tool for Assessing Program Effectiveness (TAPE) Program Improvement Plan (PIP)

A program improvement plan (PIP) is a process designed to assist CTE programs in meeting a minimum level two (2) attainment on all TAPE Quality Program Indicators (QPI).

- PIP is developed for each QPI which **did not** meet the minimum level requirement within ten (10) days of the onsite TAPE review.
- PIP is developed in collaboration with the ALSDE reviewer and program teacher(s).
- The PIP should include action items designed to meet the minimum level two requirement for each finding and improve the program.
- A 12-month period is allowed to implement the action items and provide evidence of level two attainment.
- Evidence may be submitted to the ALSDE reviewer at any time during the 12-month window to clear the findings.
