Hospitality and Tourism Cluster Program Guide

This cluster prepares high school students for the management, marketing and operations of restaurants and other food services, lodging, attractions, recreation events and travel related services using real work, hands-on knowledge, and skills in commercial and professional lab settings. This diversified and intensive education program enables students to pursue careers in one of three pathways: 1) Restaurant, Food, and Beverage Services 2) Lodging and 3) Recreation, Travel, and Tourism.

****Courses highlighted in yellow are shared with other clusters. See "Shared Courses" table on page 4 for additional details.**

Lodging Program (Outgoing 2023-2024) (Must teach three courses from this program list within two years)			
Career Pathway Program	This program focuses on the knowledge and skills required to pursue staff and management workforce positions within the hotel industry. Lodging curriculum includes departments within a hotel such as: front desk, food and beverage, housekeeping, maintenance, human resources department, and accounting. Guest Service skills focus on communication, leadership, time management, teamwork, problem solving, critical thinking, and professionalism. Within this pathway, students can pursue a national industry certification.

To meet the CCR Indicator as a CTE completer, a student must earn three (3.0) credits with the grade of a “C” or higher in CTE courses that are part of an approved CTE program of study. Additional requirements are outlined in [Memorandum FY22-2065](#).

This matrix is intended for general guidance on the CCR completer status and is subject to change. For all CTE programming information, please refer to the CTE Cluster specific Program Guide. It contains a list of approved CTE programs, valid course numbers, required prerequisite courses, approved Career Readiness Indicators (CRIs) and in demand occupations.

***Courses are listed in alphabetical order, not in sequential order.**
