

2025 INSPIRE TO EDUCATE STATE PROJECT

The Alabama Association, Family, Career and Community Leaders of America will present a special award annually to a local chapter that creates and participates in activities that will grow future educators. The **Inspire to Educate** project encourages FCCLA chapters to develop and participate in creative and impactful activities that highlight the importance and rewards of pursuing a career in education. This initiative seeks to ignite a passion for teaching and educational professions among students, fostering a new generation of dedicated educators.

Chapters will be evaluated based on their ability to create innovative, engaging, and effective activities using family and consumer science skills that achieve the following objectives:

1. **Raise Awareness:** Activities should inform and educate students about the diverse opportunities and pathways within the education sector.
2. **Highlight Impact:** Demonstrate the positive impact educators have on individuals, communities, and society.
3. **Encourage Participation:** Inspire students to consider education as a viable and rewarding career by providing opportunities for exploration and engagement.
4. **Collaborate and Engage:** Foster partnerships with local schools, educational institutions, and community organizations to enhance the reach and effectiveness of the activities
5. **Showcase Creativity:** Utilize a variety of mediums and approaches, such as workshops, seminars, social media campaigns, school-wide events, and more, to convey the message.

OFFICIAL RULES

The following rules must be followed for an application to be considered for this award:

1. The chapter must be nationally affiliated with Family, Career and Community Leaders of America, Inc.
2. The project must be conducted during the academic calendar year that includes the state leadership conference when the award will be presented.
3. ***The project must be a new project that has not been submitted before for this award.***
4. The winning chapter will be selected based on scores awarded using the provided rubric including how the chapter improved the quality of life in their community using family and consumer science skills.
5. Entries must be submitted on the official application to the [Google Drive Folder](#). Once in the folder, create a folder for your chapter and upload evidence in the folder. Newspaper clippings and project photos may be attached on ***no more than five (8 ½" x 11") sheets***. Emphasis will be on quality not quantity. Additional materials will not be considered.
6. Applications must be submitted by ***January 15, 2025***.
7. The winning chapter (or local adviser) may be asked to present the project at the FCCLA State Leadership Conference and or at the Summer Professional Development Conference.
